

“Do not let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith, and in purity.”

1 Timothy 4:12

Summer Greetings, parents and students!

I am very excited to start the new school year! I pray that God has blessed you all with a summer full of family time and relaxation. As summer starts to close (I know, there is still a month left) it is time to start preparing for our school year. You will find a classroom supply list attached as well as an early assignment for the students. This “assignment” will allow me to get to know you better as a student and to see some of the new experiences you had over the summer. Our school theme this year is “Rock Solid!”. As we progress through our year we will learn how we can remain solid in our faith no matter what the world throws at us.

Students, our classroom theme will be: “Young Leaders”. The fourth grade students are the leaders of the lower grades. This comes with responsibility as well as some challenges. We will focus on how we can meet those challenges and become leaders outside the school as well. This year we will be studying the Old Testament in our Christ Light class. For history we will expand our knowledge of our great state, Texas!

Parents, I look forward to working with all of you to further the education of your child. To complete this task it is important to communicate regularly. Our back to school nights will be August 7th and 11th. On those nights I will collect your email addresses as well as phone numbers. If there are any special concerns that you have regarding your child, the classes, or the homework, please feel free to share them with me. I look forward to seeing you all in August!

In Christ,

Matt Lange
